# ABOUT the CONFERENCE

Located in the center of the beautiful UCLA campus, the Emerging Themes Conference offers a premier West Coast opportunity for mental health professionals to learn, network, and share about the latest, cutting-edge topics in behavioral health.

## Here's what Clinicians say about this conference:

"It was well represented with new and emerging data to help clinicians improve or learn new techniques in treating their patients."

"The session on assessments was incredible! The diversity of speakers was notable"

"Great conference. Knowledgeable speakers."

## CONFERENCE PROFILE

---

Offering 2 days of clinical coursework for professionals, plenty of opportunity for networking, social connections, and corporate relationship building.

Professional Development Hours available, CEs CMEs and Licensed Social Workers (NASW).

## 2024 PROGRAM

---

This year's theme, *Open to Hope Again*, will include keynote sessions by Dr Rob Weiss, and Dr. Alfiee. Plus, we will host two clinician case work collaboratives, one focused on complex clinical case studies in co-occurring disorders, and another in LGBTQi patients.

Entertainment will include comedy and music.

# EVENT VENUE

## *UCLA Luskin Conference Center*

The Luskin Conference Center at UCLA was conceived with the singular purpose of welcoming a new class of innovators to the Los Angeles area. Designed to inspire, the venue has gorgeous art work, leading edge audio-visual resources, and generous amenities which vibrate with the energy of advancement, invention and optimism.

## *Upscale Hotel Accommodations*

The UCLA Meyer and Renee Luskin Conference Center's hotel prioritizes guest comfort and convenience, providing a relaxing atmosphere for rejuvenation in the heart of the UCLA campus. The hotel boasts 254 rooms with optimal climate control through sensor thermostats, promoting energy efficiency. Sumptuous sleeping arrangements with Pima cotton linens, soft mattress toppers, and plush toiletries, to ensure a stellar guest experience. Maintaining an eco-friendly focus, the hotel partners with Clean the World to recycle and donate unused toiletries, contributing valuable resources to underserved global communities.

## 2024 Topics

Our theme for this year's conference is *"Open to Hope Again,"* a powerful concept that resonates deeply with the challenges and triumphs we have collectively faced. We believe that it is time to embrace the possibilities that lie ahead, and together, forge a path towards renewed hope, innovation, and healing.

## Why Partner With Emerging Themes

This conference is consistently growing, offering high-quality content delivered by top-notch educators, tailored towards mental health professionals. Sponsoring the Emerging Themes Conference provides an unparalleled opportunity to engage with a clinical audience, enabling the establishment of impactful, long-lasting professional relationships.
